Acceptance of the Terms of Use

These terms of use are an agreement entered into by and between you and Digital Globe Services, Inc. d/b/a ibex Digital ("Company", "we" or "us"). The following terms and conditions, together with any documents expressly incorporated by reference (collectively, these "Terms of Use"), govern your access to and use of Bundledealer.com, including any content, functionality and services offered on or through Bundledealer.com (the "Platform"), whether as a guest or a registered and authorized user.

To be eligible to access and use Platform, you must: (a) be at least 18 years old; (b) be a duly authorized employee, agent, representative, or vendor of a Client of ours that has contracted with us for the use of the Platform ("Client"); and (c) agree to these Terms of Use.

Please read the Terms of Use carefully before you start to use the Platform. By using the Platform or by clicking to accept or agree to the Terms of Use when this option is made available to you, you accept and agree to be bound and abide by these Terms of Use and our Privacy Policy, found at www.bundledealer.com/PrivacyPolicy, incorporated herein by reference. If you do not want to agree to these Terms of Use or the Privacy Policy, you must not access or use the Platform.

Restrictions of Authorized Users

If you open an account on behalf of a Client or in connection with services that you provide to a Client, then (a) "you" includes you and that Client, and (b) you represent and warrant that you are an authorized representative of the Client with the authority to bind the Client to these Terms of Use, and that you agree to these Terms on the Client’s behalf (collectively, "User" or "Authorized User").

In the event you are using the Platform as the employee, agent, representative or vendor of a Client that has a separate commercial agreement with us for use of the Platform and such agreement conflicts with these Terms of Use, such separate agreement shall control in the event of any conflicting terms.

In order to use this Platform, you must comply with all written agreements between you and the Client and/or the Client and us, as the case may be. You understand that Clients are not our agents, our partners, or in a joint venture with us and have no right to bind us, and that any agreement or dispute between you and a Client and/or any agent of the Client is between you and such Client and/or the agent of the Client only, and we will have no liability with respect to such disputes.

Authorized Users may use certain information received, retrieved, provided by, or downloaded from non-public portions of this Platform accessed through your user names and passwords ("Protected Data"), including information about any multi-system operators or other telecommunications companies ("Service Providers") and referrals to such Service Providers for certain sales activities as expressly set forth in the written agreements between us and the Client, or you and a Client, as the case may be ("Dealership Purpose"). It is understood that if you are a Client, you shall not permit any of your agents to do anything you are not also permitted to do, and shall require such agents to agree to the terms of the written agreement between you and the
Company. You shall be responsible for any sales you make using the Protected Data for yourself, or any third party, including your own users or customers, and you will be responsible for paying all referral fees.

Once the Authorized User employs the search function of the Platform to download information related to Service Providers that provide offerings to customers at a customer’s specific address (thereby creating a unique session identifier ("Session ID") that remains with the search through the order and sales, activation and installation process), in no event will the User be permitted to circumvent the Platform by using the information provided by the Platform to order any of the services on behalf of the customer, as each are listed in the Session ID, through another order process or provider.
